Re-certification testing starts promptly at 9:00 am on all dates (including days where we provide initial training). On all days where initial training or re-certifications is provided hours are 9:00 am to 2:00 pm.

Initial certification attendees will need to arrive before **8:15 am** for equipment orientation. Students will test from 9:00 am to 2:00 pm and will receive a manual with an access code for the online lecture to be completed. Certification card will not be issued until initial students complete lecture series and we have received the exam.

If you plan on arriving late we ask that you make prior arrangements. If delayed on event day, call to make sure we are still testing. Once everyone has completed testing we pick up. Also, if you have registered late, (less than 1 week in advance) please call to notify us as we won't have access to that information.

On 2 day events if we run into a situation where we're not aware of anyone attending, if no one shows by 9:30 am we will move on to the next location. So be sure to remain in contact with us.

Registration: Registration and payment of fees should be completed at least 7 days prior to the event. Once an observer is registered, they may attend any of the subsequent testing events in the same season (Spring or Fall). This avails all dates to observer. Online registration is encouraged at **www.smokeschoolinc.com** or Phone (509)388-1005. Major credit cards accepted.*

On-Site Registration: On-site registration is available, but we would prefer online enrollment. The fee must be paid (or signature authorizing payment) prior to the start of testing. If you are choosing to arrive after 10:00 am please call before 10:00 am.

Initial Certification	**Recertification**
$375.00 Per person pre-registered online	$245.00 Per person pre-registered online

***Credit Card payments will be charged a 3.4% convenience fee.**
