**Re-certification** testing starts promptly **at 9:00 am on all dates** (including days where we provide initial training). On all days where initial training or re-certifications is provided hours are 9:00 am to 2:00 pm.

**Initial certification** attendees will need to arrive **before 8:15 am** for equipment orientation. Students will test from 9:00 am to 2:00 pm with the classroom lecture 2:30 pm to approximately 4:30 - 5:00 pm.

If you plan on arriving late we ask that you make prior arrangements, if delayed on event day call to make sure we're still testing. Once everyone has completed testing we pick up. Also if you have registered late, (less than 1 week in advance) please call to notify us as we won't have access to that information.

**On 2 day events** if we run into a situation where we're not aware of anyone attending, if no one shows by **9:30 am** we will move on to the next location. So be sure to remain in contact with us.

**Registration:** Registration and payment of fees should be completed at least 7 days prior to the event. Once an observer is registered, he/she may attend any of the subsequent testing events in the same season (Spring or Fall). This avails all dates to observer. Online registration is encouraged at [www.smokeschoolinc.com](http://www.smokeschoolinc.com) or Phone 509 388 1005. Major credit cards accepted.

**On-Site Registration:** On-site registration is available, but at an added cost. The fee must be paid (or signature authorizing payment) prior to the start of testing. If you are choosing to arrive after 10:00 am please call before 10:00 am.

### Initial Certification
